Principal's Message

Hello Skyeeeeeehawks!

Developing students whose actions and conduct reflect positive traits of character is an essential goal of Liberty. The staff teaches and models the "character qualities" in the pillars of "Character Counts!" which include: Trustworthiness, Responsibility, Respect, Fairness, Caring, and Citizenship. Every other week Liberty recognizes students who demonstrate character. I go into each classroom to present the Skyhawk Award to a student, and we all give him/her a "Wowza-Wooza!" Good choices help make a positive difference at Liberty where Character Counts! We would also like to thank you for all your hard work in raising your child to be such a wonderful student at Liberty. You help make our job much easier.

Our students did an outstanding job last Wednesday, demonstrating great character by running hard, and when not running, encouraging their friends to run hard. Thank you for supporting the Fun Run. Both parents and students had great time, despite the humid weather.

It is now time to begin turning in the donations our students have received. Whatever you can do will be greatly appreciated. The kids are very excited about taping me to the wall if we reach our school goal. Just a reminder that monies raised will benefit all Liberty students. Educational materials, athletic supplies, student incentives, and fun reward activities are just some of the items purchased with monies raised. The donations from our community not only help make Liberty a fun place for kids to learn but also motivate students to try harder. Your involvement helps make Liberty a special place.

George Petersen, Principal

Be courteous and do not park in the red marked areas under the solar panels or at the 2 reserved tall signs which are purchased at the silent auction at Carnival.
