The Clovis West Area would like to help out athletes wanting to prepare for the up and coming elementary track season as well as the post season for Kastner Intermediate.

The Golden Eagle Area Track Club would practice at the Clovis West High School Track from 5:30-7 pm. The first week of practice will be Tuesday, April 17th and Thursday, April 19th.

We will have coaches teach the basics of track and field and as well as teach the basics of the events your child may be interested in. We will also communicate with parents and direct them to websites and contacts for each meet listed above.

The Clovis West Track team is asking for \$20 each week or \$10 a night per student. If student qualifies for the next meet, or would just like to continue on with training we will then practice, Monday, April 23rd and Wednesday, April 25th.

Even if athletes are not going through these series, our coaching staff will provide the athletes knowledge and fitness towards their elementary season which begins on April 23rd, 2018 at their respected school sites.

If interested in the Golden Eagle Track Club please contact Barbara Bethel – 930-2185

If you are interested in the Saturday Junior Relay meets, you MUST notify Coach Brandl of your age group and events by Tuesday at the end of practice! Registration must be completed by her by 5:00 that evening.
