Principal's Message

Hello Skyeeeeeeeeehawks!

We have been busy the last few weeks with our co-curricular programs. Liberty History Day team competed on Saturday, March 10th, at Fresno Pacific, and Liberty's Science Fair team will be competing at the county Thursday, March 15th. Please show your appreciation for staff when you get a chance. They do so much more than just the hard work of teaching in a classroom—they go above and beyond to provide our students with unique educational experiences, such as academic competitions.

We are still taking packets for Kindergarten registration, and we have a lot of Skyhawks joining us next year. For our 6th grade parents, please make it a habit of looking in the Hawkl ine each week for events that prepare your sixth grader for seventh grade registration. SART Survey window ended last Friday. Thank you so much for your feedback. Your involvement make us so much better.

Last week, Liberty was involved in two award ceremonies, the Fresno Compact and Bonner. A big THANK YOU and congratulations to Island Photography for their tremendous support to our students, parent volunteers, and staff. Congratulations to our Liberty community for receiving the Bonner Award, Excellence in Character Education. What a great school! Not only are our kids excelling in academics, but do a great job practicing good character.

State testing window begins in May and will go until the end of May. Please arrange travel and appointments around the month of May. We appreciate your efforts to support your child and our staff as we prepare for this very important assessment.

Fly High Fly Proud,
George Petersen, Principal

Character Counts Pillar for March - Fairness

Play by the rules - Take turns - Be open-minded; listen to others - Don't take advantage of others - Don't blame others carelessly

Spring Elementary Choral Festival Monday, April 9, 2018

Our spring Festival is just around the corner. As a reminder, all of the elementary choirs in the district come together twice a year to perform for each other and 3 judges. The judges score the choirs' performances and provide feedback, with the results being included as part of the CLASSI for each school. It is a great opportunity to perform, hear other choirs, and see how we are doing. Instructions and detailed information will be available closer to performance time.
