Principal's Message

Hello Skyeeeeeeeeeehawks!!

Thank you for the wonderful acts of love during Teacher Appreciation Week last week. It was so fun to watch all the kind and creative ways parents and students expressed their appreciation for their teachers. Liberty is a special place, because of all the wonderful adults, both staff and parents, who come together with genuine affection for One another, to help kids be successful.

And is there a better way to show our appreciation for teachers than by trying our hardest on state testing?! GAME ON! Last week we began state testing in grades 3-6. We also opened the "Level Up Store" (ask your student about the creative way the staff provided incentives). Please consult classroom newsletters and the Hawklined calendar for specific days and times for testing. Thank you for your support during this very important assessment. Students perform best when they get a good night sleep, stay hydrated, and have a healthy breakfast, packed with protein. Please schedule appointments around testing sessions.

Continue to encourage your child to check on missing assignments and tests, and remember to monitor their AR progress. This fourth quarter is quickly coming to an end. Also, Block L applications are due on Friday, May 12th. Block L is for only grades 5 and 6. It is a fairly complicated form, so please help your child complete the application.

Annual Information Update in ParentConnect, or what we used to call Re-enrollment, will take place in July. You cannot update your information now for next year, but the window opens in July. This process takes place on the computer. We are informing you now because we have learned that repetition is a good way to help people memorize important dates. Our goal is to get all our Liberty families to update their emergency forms in Parent Connect during the month of July. More exciting information on the update process will be coming soon!

Important Reminders for Parents

Payments

Any payments made to Liberty for lunches or other expenses incurred may be made in cash or by check. *However - Due to fiscal timelines, no personal checks will be accepted by our office AFTER MAY 1st. After the May 1st date, payment must be in cash, money order or cashier's check. Thank you. For questions regarding this, please see our Office Supervisor, Mrs. Franklin.*

Lunch Accounts:

Please remember that lunches are prepaid only. If there is a negative balance in your child's account, they will be given an alternative meal. You always have access to your child's account information through ParentConnect, including the option to pay online. If you need assistance with this, please email Mrs. Hagenziaker in the office and she will respond to your email with instructions, your PIN and password. Her email address is rachelhagenziaker@cusd.com
