Principal's Message

Hello Skyeeeeeeehawks!

What a great first week of school! A lot of kids with smiles and excitement, and a staff pumped up, ready to serve our families. Again, if you see a new parent or student, please introduce yourself and welcome them to our wonderful school and community.

I would like to thank our parents for the support you give to the Liberty staff. Teachers and parents working as a team benefit the students tremendously. I encourage you to stay informed and involved in your child's education this year. We scheduled several events for the first two weeks of school to provide our families with important information for a successful school year. We had an athletic parent meeting last week. We will have "Back-to-School" Night Tuesday evening, August 29th, and the Family Social on Thursday, the 31st. The goal is to get to know our families (both students and parents) as soon as possible so that we can provide individualized services. We believe that there is great potential in every child, and we believe that we can reach that potential much more successfully when we work together as one team.

This week, starting Wednesday, August 30th, we launch Liberty's biggest Student Body fundraiser of the year, the Better Together Fun Run. Monies raised from this event benefit all Liberty students. Library, athletic supplies, fun activities, and student incentives are just some of the items purchased with monies raised. The donations from our community not only help make Liberty a fun place for kids to learn but also motivates students to try harder.

As always, we have awesome Fun Run rewards for students, such as the one-of-a-kind "Better Together". Hopefully, we will see all of our Skyhawks in a "Better Together" T-shirt. Our goal is to see our entire community embrace the belief that all kids have great learning potential within them, and it is up to us as adults, working together, to get our students to realize it. In addition, prizes go out to students at different levels of participation. Please see the flyer that will go home this week. Also, Mrs. Chance and I will have to do something extremely embarrassing if the students reach our school goal. For now, this embarrassing activity is top secret and will be revealed later during the week.

We are very appreciative for the continued support that our Liberty families give. I would like to thank you in advance for your contributions.

Fly High Fly Proud,
George Petersen, Principal
