## Principal's Message

Hello Skyeeeeeeeeehawks!!

If you thought last week was busy, we still have two busy ones left! This week several student reward activities for our Cookie Dough Fundraiser will occur. This year's Fundraiser was one of, if not the most successful Cookie Dough Fundraisers we have ever had. Thanks you so much for your generosity, and hopefully you are enjoying some delicious cookies. We have SART, IDAC, ELAC, and SSC meetings on May 30<sup>th</sup>. These parent leadership committees review data and discuss ways in which Liberty can improve their services to families and children. For example, our SART committee will review our SART Survey results and decide three areas the school can improve according to your responses. By the way, our 2017 SART Survey results have the highest satisfaction rates since I have been here. Thank you! We have our annual Block L awards ceremony on Thursday, June 1<sup>st</sup>. Several students earned this very difficult award. Way to go Skyhawk's! For our staff, we have end of the year planning (that's when grade levels get together to prepare for the next school year). Our teachers also have textbook training (we have adopted a new textbook in ELA this year), and grade level teams are meeting to build classes for next year.

Please encourage your child to end the year strong. Attendance is important. Also, continue to monitor missing assignments and assessments through Parent Connect, and don't forget to monitor your child's AR progress. Remind your child that Skyhawks sprint through the finish line!

Fly High, Fly Proud  
George Petersen, Principal

Thank you Liberty for the opportunity to serve as your PTC President this past year. Our accomplishments have been many and it couldn't have been possible without your support and dedication to our students, teachers, and staff.

*Fondly, Stacey Cross, PTC President*

**Annual Information Update for 2017-2018 school year**

For each parent in CUSD, please note that **starting on Monday, July 10<sup>th</sup> through Friday, August 11<sup>th</sup>** you will be able to go online to "re-enroll" your child for the 2017-2018 upcoming school year. This consists of updating and/or approving all information that is currently in ParentConnect including: Office Release Contacts, Health Office Information, Student Release Information, etc.

**Due to the need of having mandatory Emergency Contact Information, this must be completed prior to the first day of school. This Annual Information Update (Re-enrollment) must be completed in order for your child to be placed in a class for next year.**

Parents, if you have a shared email, you must create a separate email address for each of you as each parent has information that is specific to each parent. You may email Mrs. H in the office to inform of any change/addition to your email and she will take care of it. For security reasons, please email and do not call with that information. Her email address is rachelhagenzieker@cusd.com If you need your Parent Connect login information, it can be emailed to you. From the CUSD website, go to the Parent Connection log in screen and click on "Need Your Login Information?" Enter your email (we must have an email on file) and select submit. Your pin number and password will be emailed directly to you. Thank you!
