

The Weekly Hawklne

Principal's Message

Hello Skyeeeeeeeeehawks!!

Even though last week was busy, we still have two busy ones left! We have SART, IDAC, ELAC, and SSC meetings on May 29th and May 31st. These parent leadership committees review data and discuss ways in which Liberty can improve their services to families and children. For example, our SART committee will review our SART Survey results and decide three areas the school can improve according to your responses. By the way, our 2018 SART Survey results have the highest satisfaction rate for building and grounds since I have been here. Almost a perfect score! Thank you! We have a Student Council Fieldtrip on Tuesday, May 29th. Clovis West Scholarship Night is Wednesday, May 30th. We have our annual Block L awards ceremony on Thursday, May 31st. Several students earned this very difficult award. Way to go Skyhawk's! On Friday, June 1st, we have our annual Math Decathlon competition, which is a unique event for Clovis elementary schools. Oh, and by the way, our teachers are still doing everything they need to do in the classroom. Wow! I got tired just typing it.

Please encourage your child to end the year strong. Attendance is important. Also, continue to monitor missing assignments and assessments through Parent Connect, and don't forget to monitor your child's AR progress. Remind your child that Skyhawks sprint through the finish line!
