## Principal's Message

**Hellooooooo Skyeeeeeehawwwwwks!**

I trust your Spring Break was fabulous! We are going to end our third quarter this week and get ready to start our last quarter of the year. Wow! Time flies when you are having so much fun! Hopefully, you had the time during the break to sell cookies to your family and friends. The Parent Club cookie dough fundraiser is still going. Funds raised will go to Liberty's technology and other programs that enhance the learning process. We appreciate your involvement and generosity.

### Building Classes for 2018-2019

Can you believe we are already talking about next year?! Student placement is a careful and diligent process at Liberty which endeavors to create cohesive and balanced classrooms. Teachers work as a grade level team along with administration to place students in the appropriate educational setting. If you feel your child has a special learning consideration, please submit a letter to the principal explaining your child's learning needs. Every effort is made to accommodate every child's learning needs, regardless if you submit a letter. Remember, **absolutely no request for specific teachers will be considered.** Please submit all letters to the front office before Friday, May 4th.

In May, Liberty begins state testing. The state test is administered to students in grades 3-6, utilizing an online platform. Your child will take the test on a computer. Liberty's testing window begins at the start of May and goes to the end of May. You can help your student by making sure he/she has a healthy breakfast, packed with protein, at the beginning of each test day, and that your child gets plenty of rest. Please do not schedule appointments during your student's testing session. Make it a habit of consulting classroom newsletters and/or the Hawkl ine Calendar on the back of this newsletter for specific testing information before you schedule appointments. Thank you for your support. We are definitely better together with you.

## Cooki e Dough Orders!

Thank you to everyone working so hard to collect cookie dough orders. Our goal this year is to add more computers to our classrooms and each order brings us one step closer. This year's delivery date is May 2<sup>nd</sup>. Orders can be picked up between 1:30 and 6:00pm. We ask that all orders be picked up between these times as we do not have the freezer space to store the cookie dough.
