Principal's Message

Hello Skyeeeeeeeeehawks!

Last week we had our volunteer appreciation event. Thank you so much for attending. Our community is so gracious with their time and talent, and you mean so much to us. This week we have the Father/Daughter Dance on Friday. Just to give you a heads up. Next week is Staff Appreciation Week, which will begin with flowers. If you get a chance, stop by and see all the colorful bouquets of gratitude that will be brought by students and parents. We are so fortunate as a staff to have a wonderful Parent Club and community that supports us as we strive to provide the best education and care to our students. Your outward display of appreciation means so much to us.

Next week we also begin state testing in grades 3-6. Please consult classroom newsletters and the Hawklne calendar for specific days and times. Thank you for your support during this very important assessment. Students perform best when they get a good night sleep and a healthy breakfast, packed with protein. Please schedule appointments around testing sessions. It is time to show what we know!
