Principal's Message

Wow! Skyeeeeeeeeehawks!

We are heading into the last three weeks of school, and we are sprinting through the finish line. Please check the calendar to follow all the end of the year events. Tuesday, May 23rd, we have Kindergarten Orientation (for all our new parents coming to us next year), and we have Kindergarten Extravaganza Wednesday, May 24th, featuring the outstanding student work our current K students, what they completed throughout the year. The District Track Championship is on Friday, May 26th. Our Math Decathlon Team will compete in our annual Clovis West Area Math Bowl. This is a unique program. Not every elementary school sponsors a math team. Liberty math team will compete against others through the Internet. Our 2nd Grade Open House is Friday morning, and this event highlights our second graders tremendous work in academics.

This is the time of year that the Liberty staff lives in two years: Finishing this year and preparing for next year. As grade level teams, they have been meeting to finalize curriculum orders, plan/revise instructional programs for next year, and build 2017-18 classes. Plus, the teachers and your students are still taking the state test. Wow! As this school year comes to an end, our staff will **not** be winding down—they are winding up!

Fly High, Fly Proud, End Strong!

Annual Information Update for 2017-2018 School Year

For each parent in CUSD, please note that **starting on Monday, July 10 through Friday, August 11** you will be able to go online to update your child for the 2017-2018 upcoming school year.

This consists of updating and/or approving all information that is currently in ParentConnect including: Office Release Contacts, Health Office Information, Student Release Information, etc.

Due to the need of having mandatory Emergency Contact Information, this must be completed prior to the first day of school.

This Annual Information Update (Re-enrollment) must be completed in order for your child to be placed in a class next year.

Parents, do you have a shared email address? You must create a separate email for each of you as each parent has information that is specific to you. You may email Mrs. H in the office to inform of any change/addition to your email and she will take care of it. For security reasons, please email and do not call with that information. Her email address is rachelhagenzieker@cusd.com

If you need your Parent Connect login information, it can be emailed to you. From the CUSD website, go to the Parent Connection log in screen and click on **"Need Your Login Information?"** Enter your email (we must have your correct email on file) and select submit. Your pin number and password will be emailed to you.
