

Principal's Message

Hello Skyeeeeeeeeeehawks!!

October 27th is Parent-Teacher Conference Day. This meeting is for you and about your child. It is important that you play an active role in the conversation. Please make sure you plan childcare if needed. At the conference, your child's teacher will provide information to you concerning your child's progress and discuss plans for academic growth. Promotion/Retention contracts will also be signed for students who are in danger of being retained. It is essential that we work together to challenge high achieving students and provide appropriate interventions for students performing below grade level. As an important partner in education, I encourage you to ask questions and offer suggestions so that we may provide a quality education for your child.

Also, 6th grade is off to Sonora this week! They will learn science through the great outdoors. They leave Wednesday and return Friday.

Fly High, Fly Proud ~
George Petersen, Principal
