Principal's Message

Hello Skyeeeeeeeeehawks!

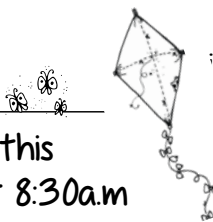

Kindergarten registration is this Wednesday. Please stop by and pick up your registration packet before March 7th. We can't wait to meet you. We have already begun registration process for 6th graders going into 7th grade. Please make it a habit of looking in the Hawklne each week for events that prepare your sixth grader for seventh grade registration. We also began PE testing, and the most difficult test is the run. A long distance run can be quite a struggle, even painful, but I am confident that our Skyhawks' will display a never-give-up attitude and battle through the pain to do their best. On this campus, we call it "the Fun Run," because we play music, have a Popsicle, and pretend running is fun. Check your student's classroom newsletter for when your student will test in the run. We invite you to join the FUN.

Last week, we launched MACKIDS to celebrate the diversity at Liberty. This year we will focus on Italy. Ask your child what does *Ciao Amico* means. We are creating videos and activities to educate our students and promote an appreciation of not only the Italian culture but all cultures.

The SART Survey email goes out to our families on Monday, March 5th. Our goal is to have at least 90% of Liberty parents participate in the SART Survey by Friday, March 9th. SART Surveys provide the district and school sites feedback from parents. Please look for the email and complete the survey. And yes, we do have some very fun incentives for our students. So you might be vigorously lobbied by your child this week—just our humble way of encouraging communication between child and parent.

Address Changes

Parents, please inform the office right away of any address or phone number changes. It is extremely important to communicate these changes for both emergency purposes and for any boundary changes that may be effected due to your move. Please bring in your new rental/lease agreement, escrow papers or P&G&E statement ASAP. If a transfer is needed, we can help you with that.
