

Weekly Hawklined

Hello Skyeeehawks,

Just a reminder that you can access information regarding your child's grades and the completion of assignments by using **Parent Connect**. Clovis Unified also provides a **Parent Connect** app for your phone. Knowing your child's progress has been made so much easier for you. The break would be a good time for your student to make up any missing work. Also, please continue to encourage your child to read and play with their peers over Spring Break. Research indicates that several days isolated on a screen can erase growth that we all worked hard to produce this academic year.

Our Positivity Project character strength when we get back from break is the *Appreciation of Beauty and Excellence*. This is the ability to identify and enjoy that which is admirable in the world. To help students understand this characteristic, we focus on three areas: 1. Physical beauty (such as a sunset, a song, or a building) 2. Exceptional skill or talent (singing, solving math problems, painting, writing, dancing, etc.) 3. Moral goodness (people who not only display good character but help bring out the good in others). All three of these forms of beauty create admiration or respect in us. When we see the beauty in things, our joy increases. These experiences also help us to better understand what is most important in life.

I am a grandfather. Ever since my grandson was able to walk to the park, we have gone on "journeys" and "explored" as we walk, stopping to examine leaves, bugs, trees, and stop to admire clouds, airplanes, birds, butterflies, etc. We bring some of the items back to the house as treasures. My wife watches our grandson several days during the week for our daughter, and one day I came home, and my wife said, "I wanted to walk to the store with Logan to get him some ice cream, and do you know how long it took us!? He wanted to stop, examine, and admire everything, on the ground and in the sky!"

I hope this spring break provides your family time to appreciate beauty and excellence in all its forms.

Fly High, Fly Proud, Fly with an appreciation of beauty and excellence.
