

# Weekly Hawklined

Hello Skyeeehawks!

Liberty wants to team with our families to help students be successful. We are offering two Liberty-Connection events:

- Transition from K to 1<sup>st</sup> grade – Tues., 4/23 @ 6 pm
- Transition from 6<sup>th</sup> to 7<sup>th</sup> grade – Wednesday, 4/24 @ 6 pm

The presentations provide advice from both an educator’s and a parent’s perspective. We want the evening to be practical. We want you to learn how to prepare for these grade levels over the summer, to learn how to successfully navigate the first few difficult weeks of 1<sup>st</sup> Grade and junior high, and how to sustain success throughout the school year. We will have Liberty parents who have experienced these grade levels and the teachers who teach them. We hope you join us. Kindergarten and sixth grade teachers have sent out links to register for these events. If you haven’t registered, please do so. Knowing how many will attend helps us prepare. If you can’t find the links, please call the Liberty office to sign up.

As we get close to May, please begin checking the Hawklined and your teacher’s newsletter for testing dates. You can help your student by making sure he/she has a healthy breakfast, packed with protein, at the beginning of each test day, and that he/she gets plenty of rest. After a good night’s sleep, please be sure your student is here on time. Encourage your child to do their best. It helps us tremendously if you try not to schedule appointments between the hours of 8:00 am and 12:00 noon during testing days. Let’s fly high and proud through testing!

Thank you
