

Weekly Hawklined

Principal's Message

Hello Skyeeehawks!

We had a SART/IDAC meeting last week. We discussed what school will look like in August. I also asked for questions and concerns about next year. Below is a list of some of the items we discussed:

- We will be on our pre-COVID bell schedule
- Campus Club will be back
- We will offer a five-day instructional week (at 3 feet distance in the classroom)
- Mask required
- We will offer the pre-COVID co-curricular programs that we are used to in Clovis Unified: Football, Drama, Volleyball, Cross Country, etc.

Your input always helps the Liberty staff get better at what we do. If you have any questions or concerns about next year, please give us a call.

Obviously, some protocols will still be in place when the next school year begins. I cannot predict what will change by the time August comes around. Remember that no matter what changes, health and safety will be our priorities. And no matter what protocols are put before us, we are committed to offering an outstanding educational experience for all students.
