

# Weekly Hawklined

## Principal's Message

Hello Skyeeehawks!

As you know, Liberty was one of the first schools to bring back students to the classroom, implement simultaneous instruction, provide a lunch in the cafeteria, offer an extended instructional day, create structured-play during recess, pep & cheer, drama, etc. We have four weeks of school left, but our staff is NOT done. They will be putting together a wonderful end-of-the-year experience for our students and families. Here is what's in the planning stages:

- A 6<sup>th</sup> grade "Sonora" activity
- Block L Ceremony
- Grad Walk
- Teddy Bear Picnic (Kindergarten)
- Kindergarten Celebration (traditional last day of school event)
- Kindergarten Orientation (video)
- Student Talent Show
- Student Council Convention and Vote
- Yearbook Dedication Assembly
- Last week of school 6<sup>th</sup> grade activities
- Math Bowl (5<sup>th</sup> & 6<sup>th</sup>)
- Choir Party

As we ensure that safety protocols are in place, we will begin informing our students and families of these events and activities. Due to the guidelines and protocols, most of these events are just for students, and, unfortunately, for some of the events, adults are NOT allowed to attend. Because of the enforcement of the guidelines, these traditional activities will be different from what our community is used to. Just a reminder: We can't offer these events if we can't follow the guidelines.

Our staff could have just decided to coast to the end of the year with all that they have accomplished, but they have chosen not to. I am humbled by my staff's passion and commitment to our families. These activities say, "I care". Thank you in advanced for you patience and understanding. We can't do what we do without your support.

Again, as we finalize these events, we will inform students and families.

George Petersen  
Principal
