

# Weekly Hawkl ine

### Principal's Message

Hello Skyeeeeehawks!

Last Thursday evening, our district conducted a parent forum to help families plan for the 21-22 school year. You can access the video recording of this event on the district's website: <https://www.cusd.com/2021-22SchoolYear.aspx> To summarize: We will be back to pre-COVID educational programs and activities. 100% of our students will receive instruction, in person, five days a week in the classroom, and we will go back to our original, pre-COVID bell schedule. No Zoom! All traditional CUSD co-curricular programs will be offered. Required protocols will be in place to secure a safe and healthy school environment. The Liberty staff is excited to get back to what they love: teaching students in person. Please pay attention to classroom newsletters and the Hawkl ine for additional information and clarification about next school year.

This year the Liberty staff went above and beyond, and they will continue to do so until the last day of school. For example, last week, we had a drama program, which is not easy to pull off with the current restrictions. They did this, because they care a great deal about our students. We will be planning other wonderful events because we want your child to experience those traditional end-of-the-school-year activities. This year was unlike any other, filled with its challenges, and we want to wrap it up with encouraging and fun experiences, hopefully giving your child some positive mojo going into next school year. Liberty has accomplished a lot, and we want to finish with as many celebrations as the safety protocols and guidelines will allow. Stay tuned!

Fly High, Fly Proud,

George Petersen  
Principal, Liberty Elementary

### 6th graders!

You must have your TDAP immunization BEFORE you start the 7<sup>th</sup> grade.

Kastner will not release your schedule until you provide proof of immunization to the Health Office.

Please send a water bottle with your student to school. We are unable to use our drinking fountains at this time. Don't forget to label the bottle with your child's name.
