## Principal's Message

Hello Skyeeeeeehawks!

This is the last week of school. The Positivity Project strength we will end with this year is Gratitude. We are so grateful for our families. Thank you for all your support this year. Our Skyhawks are so fortunate to have so many caring adults around them. The most important institution in our country is the family. My staff felt privileged this year to be a part of your student's social-emotional and academic growth. In a sense, you allowed us to be a part of your family and that's an honor. The most important task in this country is raising up the next generation of leaders, and the Liberty Team has definitely contributed to a great future. Enjoy your summer.

Fly High, Fly Proud, Fly with Gratitude,

George Petersen  
Principal
