## Principal's Message

Happy Mid-Year *Skyyyyyyyyehawks!*

What a great first week back from winter break. Teachers showed up full of energy, ready to teach, and the students look so happy to be back. I even saw some parents who were very excited to send their children back to school. With one week left in the quarter (it ends Friday, January 18<sup>th</sup>), this is a good time to check on your child's AR points, class assignments, grades, and the Block L chart (5<sup>th</sup>/6<sup>th</sup> graders only). Now is a good time to create within your family a practice of checking academic progress online—an activity that will become even more valuable when your child moves into the secondary level.

We are in the middle of some very important co-curricular programs. Oral interp is currently preparing for their festival. The dramatic talents of Mrs. Brosi, Mrs. Brandl, and Mrs. Rowland are being used to head up this team. Mrs. Ford has assembled a very strong History Day team, and they have been meeting and researching their topics in preparation for the County History Day competition. Our science expert, Mrs. Stead is coaching our Science Fair Team, preparing for the Clovis West Area and County Science Fair competitions. Destination Imagination, led by our very creative Mrs. Curtis along with parent volunteers, are meeting weekly. Our drama directors, Mrs. Patterson and Mr. Salomonson, are singing and dancing three times a week as they prepare for Liberty's production of Aladdin Jr. Mrs. Cross and Miss Poochigian are collecting Student Council packets as we get ready to elect our student officers for the next semester. Mrs. Gabriel is taking permission slips for Library helpers. The Liberty staff works hard, going above and beyond the classroom, to provide our students with diverse experiences and a well-rounded education.

One of the unique experiences Liberty provides its students is the "Collaboratory". The Collaboratory is where students work together to research and explore topics of interest. Once the research process has been completed, students are allowed to present their information to their peers using various platforms. For example, we have a "green room" in the Collaboratory, which students use to create digital videos, and they learn how to use visual effects to enhance their presentations. Very fun! Students in grades 1 and 2 will still be able to access a class set of computers in the Collaboratory. Just one example of how the Liberty staff continues to think outside the box to provide its students with a quality education.

Fly High, Fly Proud  
George Petersen, Principal

## Mark your calendar

Martin Luther King, Jr. Birthday

Mon. January 21

Lincoln's Birthday

Mon. Feb. 11

Washington's Birthday

Sign up TODAY at [www.MySchoolAnywhere.com](http://www.MySchoolAnywhere.com)

Registration and payment due Wednesday, Jan. 16<sup>th</sup>!

We hope to see you there!

Coach Hansen & Coach Foster

## Foggy Day Reminder

As our foggy days are upon us, please remember that when you see or hear that "Liberty" is on a foggy day schedule, it is NOT our Liberty! If we are ever on a foggy day, it will be our entire Clovis Unified School District ...not just Liberty. Thank you!

	Y's Men Wrestling Championships
--	---------------------------------

**Reminder:** We have had an unusual amount of tardiness this first week back at school. Parents, the first bell rings at 8:15am and the tardy bell rings at 8:20am. If your child arrives at 8:21am, they are considered tardy. Please be sure that your child is at school by 8:15am! If your child is attending Liberty on any kind of transfer, this is especially important as attendance is key to receiving another approved transfer and each tardy is a strike against your child in the transfer process. Breakfast is served at 8:00am each morning for \$1.00 and may be a help to you. Thank you!
